“Which decision should I make?” “Why do bad things happen?” “How can I deal with this problem?” “Where should I go from here?” Our lives are full of many questions and few answers. Wouldn't it be great if you could sit face-to-face with God and get all the answers you need? Well, the truth is, YOU CAN! The Bible says that through a life of prayer, we have a hotline to God that we can rely upon:

“¹⁴This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us. ” (1 John 5:14 NIV)

Please mark your calendars! **Kohath Ministries** will be coming to Lewes on Sunday, May 17th for a special night of spiritual connection and renewal. No matter where you are in your faith and life, God has made himself available to you through **prayer**, but you have to be willing to use it. That's why our theme - *“Communicating with God”* - will highlight the barriers that keep us from praying, the ways we can grow through prayer and the life-changing benefits prayer can bring. Join us to hear a positive, humorous, challenging and practical message from Rev. Jack Cohen; experience good music; and come to know Jesus in a deeper, non-threatening and personal way. Better than any cellular plan, God's prayer network is **FREE, UNLIMITED** and without hidden fees! We hope you will come check it out on the 17th!
